~ *Friendships* ~

Friendship is an embrace,
a greeting that says hello, or just a
kiss on the cheek.

Friendships are meant to last forever
not just a day, a week or a year.

Friends give you guidance and comfort
in time of despair and when times are
tough... Friends will always be there
to give kindness, love and care.

Sometimes friendships travel rocky
roads, but work it out, rise above it
and make things right;

Therefore hold on to your friendships
nice and tight... for if
you lose a friend you may also be
losing a part of yourself.
